Commissioners,

Hope that everyone is having a nice week so far. I am writing to introduce you to Lucas Workman, who was unable to join in our last meeting but is on Crusoe's economic development and government affairs team. He will be working with us on our efforts in Callaway County. He is planning to be in Missouri on April 14 (Tuesday), and if you are available, would welcome the opportunity to come by your office and introduce himself. He is also planning on meeting with Tamara Tateosian from the Chamber during his trip. Another option is to set that date for our stakeholder workshop, if you think we can get the larger group assembled. Let us know your thoughts on that - if that were the case, Conor and I would plan to be there for the larger meeting.

As discussed with Commissioner Jungermann, we are working on the logistics for a site visit and we will be back in touch shortly with more information. In the meantime, it would be great to get some dates that a tour would work for you in the next few weeks so that we can confirm a date with the site.

Lastly, we should be able to send a fact sheet to this group in the next few days to answer some of your early questions.

Best,

Callaway Commission

Good Morning,

The Commissioners have indicated that they will be unable to remain an additional day and respectfully ask whether a virtual meeting on April 22 would be an acceptable alternative.

Hi Myra,

Additionally, can you please ask the Commissioners if Wednesday, April 22 works for the Stakeholder Workshop they requested for the project? This would be immediately following the prior two days of travel that I discussed with Commissioner Jungermann. If so, could they also please let us know the best way to schedule and confirm that day with the other attendees?
