Subject: Re: Meeting Next Week

Commissioners, following up on our prior conversation to see when we may be able to meet this week (tomorrow or Friday) to advance our conversation on abatements and community benefits. As mentioned, understanding this will be critical to our ability to prepare for and host a successful open house on Tuesday, July 14. Ideally, we can join part of any conversation you have with Mark Grimm as needed.

Thank you,
Heather

Good Morning, Commissioners. Is there a good time for us to meet on Monday or Tuesday of next week? Let us know when you have time for a 30 minute call. Have a great Wednesday.
