Hi Gary,

Thanks for the follow up! I have reached out to the development team to learn their availability and will follow back up with you.

Have a great weekend and stay safe and warm with this winter storm blowing through.

Hi Gary,

By way of reintroduction, this is Mark Brady and I have been working with Ranger Power on their solar projects in the County. I hope all is well. I left a message a couple of days ago about setting up a meeting to discuss a potential different project in the County and am checking to learn your availability. The development team will be in town next week and could meet as early as next Tuesday or Wednesday. If those days do not work, we would also like to know your availability over the next few weeks and we can set something up. Don't hesitate to call my cell phone if easier. 314-240-3189.

Thanks and I hope you have a good weekend.

Mark
